

LASDI

LOS ANGELES SCHOOL DEVELOPMENT INSTITUTE

May 13, 2010

Dear Public School Choice stakeholder,

We know that all stakeholders in the Public School Choice (PSC) process are excited to begin the hard but rewarding work of implementing school plans for 2010-2011.

On behalf of the Los Angeles School Development Institute (LASDI), jointly sponsored by the District, UTLA, and AALA to provide assistance to internal school teams, we strongly urge your PSC School to send a representative team to the UTLA/AFT Public School Choice Implementation Institute on Saturday, May 22, and Sunday, May 23 (see attachment).

This Institute will provide district administrators and directors, teachers, and parents with invaluable information and interactive discussion to begin building the collaborative process necessary for school success and improved student learning.

We will be in attendance and look forward to seeing all PSC schools represented. Please RSVP to Annie White (awhite@utla.net).

Sincerely,

Ramon Cortines
LAUSD Superintendent
